Phenolphthalein bisphosphate pyridine salt

Cat. No. CSUB-0017

Lot. No. (See product label)

Introduction

Applications	Suitable as substrate for phosphatase.
Synonyms	Phenolphthalein diphosphate pyridine salt

Product Information

CAS No.	267240-23-3
Molecular Formula	C20H16O10P2 · C5H5N
Molecular Weight	557.38
Substrates	Alkaline Phosphatase
Quality	≤0.05% free phenolphthalein

Storage and Shipping Information

Storage	2-8°C
