

Octanoyl coenzyme A

Cat. No. COEC-020

Lot. No. (See product label)

Introduction

Description	Octanoyl coenzyme A is a chemical that is the end chemical of beta oxidation in peroxisomes.
Applications	A chemical that is the end chemical of beta oxidation in peroxisomes
Synonyms	Caprylyl coenzyme A

Product Information

Form	Solid
CAS No.	1264-52-4
Molecular Formula	C ₂₉ H ₅₀ N ₇ O ₁₇ P ₃ S
Molecular Weight	893.7
Purity	≥95%
Refractive Index	1.50 (Predicted)
Density	~1.10 g/mL (Predicted)
