

Perilla seed oil powder

Cat. No. EXTZ-454

Lot. No. (See product label)

Introduction

Description Perilla seed oil powder is a kind of powder made from perilla seed oil by special microencapsulation technology. Microencapsulation technology includes emulsification, embedding reinforcement, microencapsulation, and spray drying and other processes. Microencapsulation technology has well improved the stability and water solubility of oil products, and greatly promoted the application of oil products in food, health care products, dairy products and beverages.
