

S-Phenyl thioacetate

Cat. No. CSUB-0939

Lot. No. (See product label)

Introduction

Applications Used as a substrate to measure esterase activity

Synonyms Thiophenyl acetate; Ethanethioic acid; S-Phenyl ethanethioate

Product Information

Form Liquid

CAS No. 934-87-2

Molecular Formula C₈H₈OS

Molecular Weight 152.21

Purity >97%

Substrates α-amylase

Storage and Shipping Information

Storage Store at 4° C
