

Native Pediococcus sp. Lactate Oxidase

Cat. No. NATE-0375

Lot. No. (See product label)

Introduction

Synonyms EC 1.13.12.4; 9028-72-2; lactate oxidative decarboxylase; lactate oxidase; lactic oxygenase; lactate

oxygenase; lactic oxidase; L-lactate monooxygenase; lactate monooxygenase; L-lactate-2-monooxygenase;

lactate 2-monooxygenase

Product Information

Source Pediococcus sp.

Form lyophilized powder

EC EC 1.13.12.4

Number

CAS No. 9028-72-2

Activity > 20 units/mg solid

Unit One unit will oxidize 1.0 μmole of L-lactate to pyruvate and H2O2 per min at pH 6.5 at 37°C.

Definition

Storage and Shipping Information

Storage −20°C
