

phytol kinase

Cat. No. EXWM-3014

Lot. No. (See product label)

Introduction

Description

The enzyme is found in plants and photosynthetic algae and is involved in phytol salvage. It can use UTP as an alternative phosphate donor with lower activity.

Synonyms

VTE5 (gene name)

Product Information

Form

Liquid or lyophilized powder

EC Number

EC 2.7.1.182

Reaction

CTP + phytol = CDP + phytyl phosphate

Notes

This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications.

Storage and Shipping Information

Storage

Store it at +4 °C for short term. For long term storage, store it at -20 °C~-80 °C.
