

serine-ethanolaminephosphate phosphodiesterase

Cat. No. EXWM-3713

Lot. No. (See product label)

Introduction

Description Acts only on those phosphodiesterases that have ethanolamine as a component part of the molecule.

Synonyms serine ethanolamine phosphodiester phosphodiesterase; SEP diesterase

Product Information

Form Liquid or lyophilized powder

EC Number EC 3.1.4.13

CAS No. 37288-20-3

Reaction serine phosphoethanolamine + H₂O = serine + ethanolamine phosphate

Notes This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications.

Storage and Shipping Information

Storage Store it at +4 °C for short term. For long term storage, store it at -20 °C~-80 °C.
