

Lactobacillus Crispatus plus Polydextrose Mixture

Cat. No. PRBT-016

Lot. No. (See product label)

Introduction

Description Lactobacillus crispatus PLUS is a mixture of Polydextrose with probiotics powder, it can be used to make capsule or sachet directly. L. crispatus LCr86 Probiotics Powder was isolated from yoghurt. L. crispatus LCr86 is inserted into the vagina as a probiotic that can help maintain healthy flora. It is good for women's vagina and procreant health. It will safely and effectively treat bacterial vaginosis if used alone or alongside an antibiotic treatment if an infection had already arisen.

Applications • Dietary Supplements - Capsules, Powder, Tablets; • Food - Bars, Powdered Beverages.
