

## Pantothenic acid (Vitamin B5)

Cat. No. COEB-002

Lot. No. (See product label)

### Introduction

#### Description

Vitamin B5, also called pantothenic acid, is one of the most important vitamins for human life. It's necessary for making blood cells, and it helps you convert the food you eat into energy. Vitamin B5 is one of eight B vitamins. All B vitamins help you convert the protein, carbohydrates, and fats you eat into energy.
