Creative Enzymes®

Custom Enzymes Blend

Cat. No. CEBC-100

Lot. No. (See product label)

Introduction

Description

We can provide customized composite enzymes with different enzymes and different activities according to customer needs. We have a variety of enzymes to choose from, such as amylase, protease, lipase, cellulase, hemicellulase, lactase, papain, bromelain and many more. Customers can provide their own formulas, and we can also give the best recommendations according to your application.
