Watercress Extract

Cat. No. EXTZ-132

Lot. No. (See product label)

Introduction

Description	Watercress, known officially as Nasturtium officinale, belongs to the brassicaceae family of plants. It is becoming the hottest superfood due to its rich content of minerals, vitamins and phytonutrients. Watercress extract is a brown fine powder, that not only reduce oxidative stress and inflammation, Improves Immune function, but also feeds the skin to promote soft texture and supple bounce. What's more, this extract gives a revitalizing boost to hair for a fresh look and a soft touch by removing oil and soap residue.
