Creative Enzymes®

Cumin Extract

Cat. No. EXTZ-130

Lot. No. (See product label)

Introduction

Description	Cumin is the dried seed of the herb Cuminum cyminum, which is a leafy plant that grows low to the ground in China, India, the Middle East, and the Mediterranean region. Cumin is popular all over the world as a spice and has a variety of benefits ranging from helping improve your digestion to boosting your memory. Cumin may also prevent cancer cells from multiplying and help reduce pain with its anti-inflammatory properties.
