

Probiotics blend for menopause health

Cat. No. PRBT-078

Lot. No. (See product label)

Introduction

Description

Probiotics Blend of L. Reuteri, L. Plantarum, L. Paracasei, L. Cremoris, B. Adolescentis, L. Acidophilus, L. Rhamnosus, B. Lactis

Applications

Hormone levels affect the microecological composition of many parts of the body, especially the gut. The presence or absence of estrogen can affect the balance of intestinal flora and the corresponding pathogenic pathways, and the intake of probiotics can ameliorate this imbalance.

Product Information

Appearance
