Cordyceps militaris extract

Cat. No. EXTZ-205

Lot. No. (See product label)

Introduction

Description	Cordyceps militaris, which belongs to the same genus as Cordyceps sinensis, is a traditional Chinese medicine and nutritional product with tonic effect. Studies have shown that Cordyceps militaris extract has various effects such as anti-tumor, regulating blood lipids, enhancing immunity and relieving physical fatigue. Due to the diversity of components and functions of Cordyceps militaris, it is widely used in medicine and health food.
