# Elastin peptide

*Cat. No. EXTZ-255*

*Lot. No.* (See product label)

## *Introduction*

| | |
|---|---|
| ***Description*** | Elastin peptides are extracted from the heart of Bonito. The collagen content in elastin peptide is relatively large, and it contains proteoglycan and elastin, which can supplement the collagen needed by the skin, increase the toughness of the skin, delay skin aging, and reduce the formation of wrinkles on the skin. |
