

## Cypress Oil

Cat. No. EXTZ-348

Lot. No. (See product label)

### Introduction

**Description** Native to Southern Europe and Western Asia, Cypress oil is derived from the twigs, stems, and leaves of the cypress tree. Cypress has a fresh, clean aroma that's energizing and refreshing. Cypress is frequently used in spas and by massage therapists. The monoterpenes in Cypress are beneficial for oily skin and overall skin health. One of the main chemical compounds and monoterpenes in Cypress,  $\alpha$ -pinene, helps to reduce the appearance of blemishes.
