

Lemon Oil

Cat. No. EXTZ-377

Lot. No. (See product label)

Introduction

Description

Lemon is a powerfully positive and greatly resourceful oil. It has an invigorating effect, helping to increase positivity and relieve fatigue and nausea. It is also a popular ingredient in facial toners and home cleaners due to its powerful hygienic properties and its ability to attack harmful microorganisms. When diluted and applied to the skin, it may also effectively boost the lymphatic system. Botanical Name: Citrus Limonum
