

Lemon Eucalyptus (Eucalyptus Citriodora) Oil

Cat. No. EXTZ-378

Lot. No. (See product label)

Introduction

Description

Native to Australia, lemon eucalyptus oil combines the decongesting properties of eucalyptus oil with the insect repellent properties of citronella. It is commonly inhaled to help clear blocked airways and allow easier breathing. Beyond that, its cleansing properties also make lemon eucalyptus oil useful for cleaning and maintaining a hygienic home. Botanical Name: Eucalyptus Citriodora
