

Mandarin Oil

Cat. No. EXTZ-382

Lot. No. (See product label)

Introduction

Description

Mandarin is a gentle oil with a bright and fruity aroma, often used to ease the mind of worries. It is also especially beneficial to the skin thanks to its antibacterial effects. Recently, mandarin oil has been found to ease worries and prevent stress-related sleep loss, as well as help to soothe inflammation both topically and internally. Botanical Name: Citrus Reticulata
