

Basil (Linalool) Oil

Cat. No. EXTZ-387

Lot. No. (See product label)

Introduction

Description

Basil has a sweet-spicy, slightly green and fresh top note, a balsamic-woody undertone and a lasting sweetness. Basil oil has a calming scent, soothing to both the mind and the skin, and able to help clear up redness and irritation. Its volatile oils and distinctive scent can also help to clear pests and leave your home clean and hygienic." Botanical Name: Ocimum Canum
