

## Cade Oil

*Cat. No. EXTZ-390*

*Lot. No. (See product label)*

### ***Introduction***

#### ***Description***

Cade oil is extracted from the wood of the juniper shrub, which is native to the Mediterranean region and the Middle East. It is often applied to the skin to help soothe redness and swelling, and has a cleansing effect that is known to rid the skin of bad bacteria. Cade is also a common dandruff cure and can help improve symptoms of the scalp complaint whilst inhibiting the sensation of itching. Botanical Name: Juniperus Oxycedrus
