

Myrrh (Thick) Oil

Cat. No. EXTZ-411

Lot. No. (See product label)

Introduction

Description Gentle to the skin, myrrh oil makes an effective natural moisturiser and has been used to help prevent signs of ageing since the Ancient Egyptians. Myrrh oil is also often used to relieve pain and swelling and to combat bacteria and fungi. Many of its properties can be enhanced when combined with its old companion frankincense. Botanical Name: Commophoria Myrrha
