

Blue lotus oil

Cat. No. EXTZ-471

Lot. No. (See product label)

Introduction

Description

Blue lotus oil is a plant oil extracted from the petals of the blue lotus flower, which can be used to treat a variety of ailments and symptoms such as insomnia, anxiety, depression, fatigue, and inflammation. Blue Lotus Oil is also thought to help improve mental and emotional states, promoting emotional balance and relaxation. In addition to its medicinal uses, blue lotus oil is also used as a fragrance, in perfumes, skin care and aromatherapy products.
