Creative Enzymes®

Shiny Cola Seed Extract

Cat. No. CEFX-041

Lot. No. (See product label)

Introduction

Description	Shiny cola seed extract is a substance extracted from the seeds of the shiny cola fruit. Shiny cola is a tropical fruit that grows mainly in the Asian region. Shiny cola seed extract is rich in a variety of nutrients and active compounds, including polyphenols, vitamin C, phytosterols, flavonoids, and many minerals. These ingredients have strong antioxidant and anti-inflammatory properties that may help reduce free radical damage and protect cells from oxidative stress.
Applications	Shiny cola seed extract has a variety of effects in cosmetics, including stimulating skin metabolism, antioxidant, anti-allergic soothing and anti-inflammatory. It can also relieve skin reactions caused by chemicals or physical irritants.
