Gentiana Lutea Extract

Cat. No. CEFX-113

Lot. No. (See product label)

Introduction

Description	Gentiana lutea extract is obtained from the roots of the Gentiana lutea plant.
Applications	Medical Use: Gentiana lutea extract is widely used in traditional medicine for the treatment of digestive and gastro-hepatic malfunctions. It is believed to stimulate the secretion of gastric juices, promote appetite, and improve digestion. Food Additives: Due to its bitter properties, yellow gentian root extract is often used as a food and beverage additive to increase bitterness and regulate flavor.
