

Croton Tiglium Extract

Cat. No. CEFX-122

Lot. No. (See product label)

Introduction

Description

Croton tiglium Extract is a natural compound derived from the Croton tiglium plant. Croton tiglium is a common evergreen plant found mainly in China, India and Southeast Asia. Croton tiglium Extract is extremely biologically active and is one of the common ingredients in many traditional herbal medicines. It contains a variety of organic compounds such as crotonic acid, crotonaldehyde and crotonone. These compounds have antibacterial, anti-inflammatory and antiviral effects on bacteria, fungi and viruses.
