

Pleurotus Ostreatus Extract

Cat. No. CEFX-128

Lot. No. (See product label)

Introduction

Description

Pleurotus ostreatus is a fungus of the family Pleurotaceae. Pleurotus ostreatus extract is rich in polysaccharides, which is a potent immunomodulator and is effective in strengthening the immune system and enhancing physical fitness. In addition, Pleurotus ostreatus extract can lower cholesterol, alleviate hypertension and reduce blood pressure. Pleurotus ostreatus extract can be used to treat back and leg pain, numbness of hands and feet, and tendon failure. Pleurotus ostreatus extract can also be used for anti-tumour.
