Lot. No. (See product label)

Introduction

Description	Prune Plum Powder is a food product made from prune plums, a delicacy with a unique flavor and texture. Prune plum is a sweet and sour fruit which is rich in vitamins and minerals and has many health benefits. Prune plum powder can be made into jams, jellies, preserves and other foods, or eaten directly. Its sweet and sour taste, rich in nutrients, is a healthy and delicious food. Since prune plums are rich in pectin and fiber, prune plum powder is also good for the digestive system.
