

Alliin

Cat. No. CEFX-148

Lot. No. (See product label)

Introduction

Description Alliin is an organic compound with molecular formula $C_6H_{11}NO_3S$, which is one of the main bioactive substances in garlic, accounting for 0.6%-2% of the dry weight of garlic. Modern medical research has shown that Alliin has a variety of pharmacological effects, including anti-tumor, blood pressure, antibacterial and toxin killing, scavenging free radicals, liver protection and anti-diabetic and so on. It is a unique sulfur-containing compound in garlic that has a positive impact on human health.

Product Information

Appearance Powder

CAS No. 556-27-4;17795-27-6

Molecular Weight 177.22

Usage and Packaging

Package 25KG/Drum with double plastic bag of foodstuff inside

Storage and Shipping Information

Storage 2 years under well storage situation and stored away from direct sun light
