

Lemon Balm Essential Oil

Cat. No. EXTZ-509

Lot. No. (See product label)

Introduction

Description

Lemon balm essential oil, also known by its botanical name *Melissa officinalis*, is derived from the leaves of the lemon balm plant. This essential oil is known for its calming and soothing properties, making it a popular choice in aromatherapy and natural medicine. It has a fresh, lemony scent with a hint of sweetness, and is often used to alleviate stress, anxiety, and insomnia. Additionally, lemon balm essential oil possesses antiviral, antibacterial, and antioxidant properties, which can help in supporting overall health and wellness.
