Creative Enzymes®

Malt extract

Cat. No. EXTZ-526

Lot. No. (See product label)

Introduction

Description	Malt extract is derived from the essence of carefully selected premium barley cores using a unique production process. It is rich in maltose, fructose, glucose, proteins, small peptides, essential amino acids, various vitamins, and minerals. Malt extract is a multifunctional natural food ingredient suitable for the production of various foods and beverages, while also providing health and nutritional benefits to consumers.
