Introduction

Description

Pink grapefruit essential oil is a natural oil extracted from the peels of pink grapefruits through a cold-pressing method, which preserves its unique fragrance and active components. Known as a potent antioxidant, it is rich in vitamin C and offers various health benefits. In aromatherapy, pink grapefruit essential oil is favored for its refreshing scent, which can help to uplift the mood, alleviate stress, and enhance vitality. Its aroma is distinctly grapefruit-like, with a noticeable tartness that is not overwhelming, making it easily recognizable and invigorating. Additionally, pink grapefruit essential oil possesses antibacterial and antioxidant properties, making it a common ingredient in skincare products, where it aids in cleansing and improving skin conditions.
