Sea Buckthorn Oligopeptide Powder

Cat. No. CEFP-043

Lot. No. (See product label)

Introduction

Description	Sea Buckthorn Oligopeptide Powder is extracted from sea buckthorn fruits and made by enzyme digestion technology, which is rich in natural oligopeptides. Sea buckthorn is known as “the king of natural vitamin C” and its oligopeptide has excellent nutritional value. The powder is golden yellow in color, with natural sea buckthorn flavor, and is suitable for use in a variety of foods and beverages. Sea buckthorn oligopeptide powder has a strong antioxidant effect, which can effectively neutralize free radicals in the body and protect cells from damage. Its rich vitamin C and flavonoids can enhance the elasticity and luster of the skin and improve skin texture. Sea buckthorn oligopeptide also supports the function of the immune system, helping the body to defend itself against external aggressions, and promotes the health of the digestive system, helping to regulate intestinal flora.
Applications	Sea buckthorn oligopeptide powder is suitable for use in health drinks, functional foods and skin care products. It is especially suitable for consumers who need antioxidant and enhance skin health. It can be added to fruit juice, milkshake, nutritional supplements, and can also be used in beauty and skin care products.

Product Information

Appearance	Powder
Molecular Weight	<1000 Da

Usage and Packaging

Package	1kg, 5kg, 10kg aluminum foil vacuum bag; or 20kg, 25kg Fiber Drum

Storage and Shipping Information

Storage	Store in a cool, ventilated and dry place, avoid direct sunlight.
