Creative Enzymes®

Coix Seed Peptide Powder

Cat. No. CEFP-044

Lot. No. (See product label)

Introduction

Description	Coix Seed Protein Peptide Powder is a protein peptide extracted from Coix Seed, obtained by enzymatic treatment. The powder is light yellow in color with a light Coix aroma. Coix seed is known for its rich nutrients and health benefits. The protein peptide has high bioavailability and is suitable for use in a variety of foods and beverages. Coix Seed Protein Peptide Powder is known for its immune-boosting, anti-inflammatory and digestive benefits. Its rich amino acids and active ingredients can help regulate the body's environment and support a healthy metabolism. Coix Protein Peptide also helps to improve skin texture, relieve joint discomfort, and support overall health and stamina recovery.
Applications	Coix Seed Protein Peptide Powder is suitable for use as a protein source in nutritional supplements and functional foods. It is especially suitable for consumers who need to boost immunity, improve digestion and relieve joint discomfort. It can be added to milkshakes, energy drinks, and health foods to enhance nutritional value and functionality.
