

Cordyceps Militaris Peptide Powder

Cat. No. CAFP-046

Lot. No. (See product label)

Introduction

Description Cordyceps Militaris Peptide Powder is a protein peptide powder extracted from Cordyceps Militaris with high biological activity. Cordyceps Militaris is widely used in traditional Chinese medicine and contains a wide range of beneficial health ingredients. The powder is light yellow in color and has a natural Chrysophyllum aroma, making it suitable for use in health supplements and functional foods. Cordyceps Militaris Peptide Powder is known for its stamina-boosting, anti-fatigue and immunity-boosting properties. Its active ingredients can help boost physical performance, improve athletic performance, and support respiratory health. Cordyceps Militaris Peptide Powder also helps to reduce fatigue, improve sleep quality, and enhance the body's ability to repair itself.

Applications Cordyceps Militaris Peptide Powder is suitable for use in high-end nutritional supplements, sports drinks and health foods. It is especially suitable for consumers who need to boost stamina, improve athletic performance and enhance immunity. It can be added to energy drinks, nutritional supplements and health foods.
