Creative Enzymes®

Barley Peptide Powder

Cat. No. CEFP-057

Lot. No. (See product label)

Introduction

Description	Barley Peptide Powder is obtained from barley by enzymatic treatment and is rich in high quality protein and oligopeptides. Barley is favored for its rich nutrients and health benefits.Protein Peptide Powder is light brown in color. Barley peptide powder is known to boost immunity, support digestive health and promote stamina recovery. Its rich protein and dietary fiber can help maintain a healthy digestive system, support stamina recovery, and enhance immune system function. Barley protein peptides also help regulate blood sugar levels and improve overall health.
