Freesia Refracta Extract

Cat. No. CEFX-181

Lot. No. (See product label)

Introduction

Description	Freesia refracta extract is a natural ingredient extracted from the freesia plant (scientific name: Freesia refracta), which is widely used in skincare and cosmetic products and favored for its excellent cosmetic properties and pleasant aroma.
Applications	As a natural skin care ingredient, freesia extract has become one of the most important ingredients in the skin care industry due to its antioxidant, moisturizing, whitening and soothing anti-inflammatory properties. In addition, its pleasant natural floral scent adds to the attractiveness of the product and is widely used in various skin care and beauty products.
