

Prunus persica Gum

Cat. No. EXCF-031

Lot. No. (See product label)

Introduction

Description

Product composition: Water, Prunus persica Gum, 1,2-Hexanediol, Ethylhexyl Glycerin. This product is a natural polymer with an immediate firming effect, with a core ingredient derived from the precious peach resin of Jade Dragon Snow Mountain. It is a unique sensory experience: 5mins to feel the natural firming power and 10mins to see the wrinkle reduction effect.

Applications

For wrinkle removal products

Product Information

Appearance

Light yellow to brownish yellow liquid

Form

Liquid

Purity

Polysaccharide content (UV): $\geq 5.0\%$

Optimum pH

4.0-6.5

Function

Firming and Lifting: The skin-firming ingredient forms a three-dimensional mesh film after application, and the firming effect is instantly visible. Wrinkle elimination: the ingredient forms a film that has a visible and invisible effect on wrinkles.
