Rhaponticum carthamoide root extract

Cat. No. EXTZ-557

Lot. No. (See product label)

Introduction

Description	The extract of Rhaponticum carthamoides, originating from the Asteraceae plant, is rich in plant sterol compounds, flavonoids, and phenolic acid compounds. These components endow the Rhaponticum carthamoides extract with various pharmacological effects, including brain health, qi supplementation, treatment of neurasthenia, and loss of appetite.
