

Seaweed Extract

Cat. No. CEFX-209

Lot. No. (See product label)

Introduction

Description

Seaweed Extract is a natural substance derived from Sargassum fusiforme(Harv.)Setch. Rich in a wide range of bioactive compounds such as vitamins, minerals, amino acids, antioxidants, and polysaccharides, seaweed extract is known for its versatile health benefits. Seaweed extract is widely used in dietary supplements, skincare products, and agricultural applications due to its ability to nourish, hydrate, and protect.
