

## Black Caraway Seed Extract

Cat. No. CEFX-324

Lot. No. (See product label)

### Introduction

**Description** Black Caraway Seed Extract, derived from the black cumin seed (*Nigella sativa*), is a highly effective raw material whose active ingredients have been concentrated through advanced extraction techniques. Its core constituents, such as Thymoquinone and Thymol, are widely used in health foods, nutraceuticals and personal care for their excellent antioxidant, anti-inflammatory and immune-supporting properties.

### Product Information

**Species** Nigella Sativa
