

Tea Tree Oil

Cat. No. CEFX-369

Lot. No. (See product label)

Introduction

Description

Tea Tree Oil is a volatile essential oil extracted from the leaves of the Tea Tree (*Melaleuca alternifolia*) native to Australia. It is known for its powerful antibacterial, antifungal and anti-inflammatory properties and is used in a wide range of applications including personal care, healthcare and household cleaning.

Applications

Personal Care & Cosmetics Skincare: Use in anti-acne gels, cleansers, masks and toners to help clean pores and relieve acne. Hair Care: Add to shampoos and conditioners to relieve dandruff, itching and scalp infections. Oral Care: Use in mouthwash formulations to freshen breath and reduce oral bacteria. Healthcare Anti-infection: Apply externally diluted to skin infections, athlete's foot and insect bites. Aromatherapy: Relieve stress and enhance respiratory health with a diffuser. Household Cleaning Make a natural cleaner and add to sprays for sterilisation and deodorisation. Can be used to disinfect laundry, clean bathrooms, kitchen countertops, etc. Pet Care Dilute and use as an adjunctive care for pet skin infections (be careful to dilute in strict proportions to avoid toxicity).
