Smoketree Extract

Cat. No. EXTZ-601

Lot. No. (See product label)

Introduction

Description	Smoketree Extract is a natural plant extract primarily derived from the bark and leaves of the Smoketree plant. Fisetin, a flavonoid compound found in Smoketree Extract, possesses a variety of biological activities and pharmacological effects. Fisetin has strong antioxidant capabilities, capable of scavenging free radicals and preventing cellular oxidative damage. In addition to this, it also exhibits potent anti-inflammatory, antiviral, and antitumor effects, and is widely used in the fields of medicine, cosmetics, and food industries.

Product Information

Form	Yellow powder
