

Soybean Oil

Cat. No. CEFX-433

Lot. No. (See product label)

Introduction

Description

Soybean oil is a vegetable oil extracted from the seeds of the soybean (*Glycine max*). It is one of the most widely used edible oils, known for its mild flavor, high smoke point, and versatility in cooking, baking, and food processing. Rich in polyunsaturated fats, particularly omega-6 fatty acids, soybean oil is a popular choice for heart-healthy diets.

Product Information

Appearance

Light yellow liquid

Usage and Packaging

Package

1kg/ bottle; 25kg/drum

Storage and Shipping Information

Storage

Store in sealed containers at cool & dry place. Protect from light, moisture and pest infestation.
