Astaxanthin oleoresin

Cat. No. CEFX-437

Lot. No. (See product label)

Introduction

Description	Astaxanthin oleoresin is a concentrated lipid-based extract rich in astaxanthin, a powerful carotenoid derived from Haematococcus pluvialis microalgae. Known for its strong antioxidant properties, it helps protect cells from oxidative stress, supports skin health, and promotes eye and cardiovascular well-being.
Applications	Used in nutraceuticals, dietary supplements, cosmetics, and functional foods, astaxanthin oleoresin is available in different concentrations to suit various applications.
