

Grape seed oil

Cat. No. CEFX-453

Lot. No. (See product label)

Introduction

Description Grape seed oil is a high-quality, plant-based oil extracted from the seeds of grapes (*Vitis vinifera*). It is valued for its light texture, high antioxidant content, and versatile applications in food, cosmetics, and health products. Rich in polyunsaturated fatty acids (PUFAs), vitamin E, and polyphenols, it provides numerous nutritional and skincare benefits.

Applications Food & Cooking – Used as a healthy salad dressing oil, for light sautéing, or as a nutritious ingredient in functional foods. Cosmetics & Skincare – Commonly found in moisturizers, anti-aging creams, hair treatments, and massage oils due to its skin-repairing properties. Nutritional Supplements – Available in softgel capsules as an antioxidant-rich dietary supplement.

Synonyms Grape seed oil; Grape seed
