Agaricus Blazei Murrill Peptide Powder

Cat. No. CEFP-061

Lot. No. (See product label)

Introduction

Description	Agaricus Blazei Murrill Peptide Powder is a bioactive peptide extract derived from Agaricus blazei Murrill, a medicinal mushroom renowned for its rich nutritional and health-promoting properties. This peptide powder is produced through enzymatic hydrolysis, yielding small-molecule peptides with enhanced bioavailability and functional benefits.
Applications	Nutritional Supplements – Ideal for functional foods, dietary supplements, and wellness formulations. Cosmetic & Skincare – Used in beauty and anti-aging products due to its potential skin-nourishing properties. Food & Beverage – Can be incorporated into health drinks, protein powders, and other fortified foods.

Product Information

Appearance	White or light yellow powder
