Creative Enzymes®

Bitter kola extract

Cat. No. CEFX-460

Lot. No. (See product label)

Introduction

Description	Bitter Kola Extract comes from Garcinia kola, a plant native to West Africa and commonly used in traditional herbal medicine. Its seeds have a bitter taste and are used in the health care and food industries.
Applications	Dietary Supplements: Used to boost immunity and provide antioxidant protection. Functional Foods and Drinks: Can be added as a natural ingredient to health drinks or energy foods. Medicinal Formulations: Widely used in traditional medicine and natural remedies. Cosmetics and Skincare: Used in skincare products to support skin health due to its antioxidant and anti-inflammatory properties.

Product Information
