Creative Enzymes®

Bambus extract

Cat. No. EXTZ-655

Lot. No. (See product label)

Introduction

Description	Bamboo extract is a natural substance derived from bamboo. It is renowned for its rich nutritional content, including proteins, carbohydrates, dietary fiber, as well as a variety of vitamins and minerals. In addition, the plant sterols contained in bamboo extract may help lower cholesterol levels, which could potentially reduce the risk of heart disease.
