

Broccoli protein powder

Cat. No. EXTZ-690

Lot. No. (See product label)

Introduction

Description

Broccoli protein powder is a plant-based protein supplement derived from broccoli, rich in essential amino acids, vitamins, and minerals. It is high in protein, low in calories, and low in fat, which aids in muscle repair, weight management, and blood sugar stability, while also providing dietary fiber to support digestion and satiety. Broccoli protein powder is a top choice for fitness enthusiasts.
